Vacancy: Lending Operations Manager

Hours of work: Full-time, permanent

Location: Hastings

Invest & Fund is an alternative finance provider committed to building the UK's most trusted peer-to-peer marketplace helping individuals, high net worth lenders, private banks, family offices and institutions achieve attractive, risk-adjusted returns from successful residential development projects. Having already lent over £45m, the business is at an exciting time as it seeks to scale and become a market leader in the provision of development and bridging finance to property developers. Invest & Fund is fully authorised and regulated by the FCA.

This is a fantastic opportunity to join a successful company in a fast moving and busy office environment, contributing to the overall success of a high performing organisation.

About the Role

The role of the Lending Operations Manager is to progress residential development loan applications to completion, ensuring they are processed efficiently within policy and criteria. The Lending Operations Manager will manage all aspects of case pipelines, including making quality determinations in terms of risk, completing extensive due diligence and overseeing drawdown, all while developing good working relationships with borrowers and lenders.

We are looking for a knowledgeable Lending Operations Manager to lead and manage our Loan Admin Team. To be considered for this role, applicants must have experience of property development and a proven record within the residential development funding sector.

The Lending Operations Manager will be responsible for working with BDMs and maintaining Broker relationships. Must be able to demonstrate a number of years' experience within property finance which may include residential property development, commercial / semi-commercial, short-term lending or bridging, and ideally alternative finance/Peer to Peer.

The ideal candidate will have a hands-on style and be an excellent team leader who has experience of leading process improvement and a desire to deliver a high quality service to internal and external clients.

This is a great opportunity for an adaptable, approachable and professional individual who wishes to make a real difference in a thriving, fast-moving and dynamic environment.

About You

You will be an experienced line manager with experience gained in Property finance and knowledge of general banking credit process with the ability to extract key financial information. You will be able to build good working relationships with customers, brokers and professionals, be a self-starter and can thrive in a customer focussed environment.

This is a role for an individual who is driven to deliver excellence in service and performance, you will be passionate about the work you do and “will go the extra mile” to achieve excellence whilst working within budgets to help to continue the rapid growth of the company.

It is essential that you are an excellent communicator (both verbal and written) and also a keen problem solver.

What we can offer you

- A competitive salary
- Up to 25 days' holiday (in addition to Bank Holidays)
- Contributory pension scheme
- As much coffee/tea as you can drink and regular treats
- To be surrounded by brilliant, highly-skilled, fun people within a busy but flexible environment you will want to shout about
